

**IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF NEW MEXICO**

**UNITED STATES OF AMERICA,**

**Plaintiff,**

**v.**

**DESIREE MARIN,**

**Case No. 25-mj-248-DLM**

**Defendant.**

**ORDER GRANTING DEFENDANT'S UNOPPOSED MOTION  
TO CONTINUE GRAND JURY PRESENTMENT**

This matter is before the Court on Defendant Desiree Marin's Unopposed Motion to Continue Grand Jury Presentment. The Court finds that by her motion the Defendant has created a sufficient record to justify granting the motion to continue. *See United States v. Toombs*, 574 F.3d 1262, 1271 (10th Cir. 2009). The Court further finds, pursuant to 18 U.S.C. § 3161(h)(7)(A), that the ends of justice served by allowing this continuance outweigh the best interest of the public and the Defendant in a speedy trial, by allowing Defendant to pursue a beneficial resolution of his case which would not entail the necessity for a grand jury presentment.

Now, therefore, IT IS HEREBY ORDERED that Defendant's Unopposed Motion to Continue Grand Jury Presentment be granted, and that pursuant to 18 U.S.C. § 3161(h)(7)(A), an additional delay of thirty (30) days shall be excluded for purposes of the Speedy Trial Act.
